## WHAT IS THE ADJUSTABLE PALLET GUARD?

THE PALLET GUARD IS A SIMPLE 4-SIDED  
ADJUSTABLE DISPLAY THAT CAN BE USED  
TO MERCHANDISE, PROMOTE AND PROTECT  
STOCK IN UNDER 60 SECONDS.

### FOR RETAIL

The patented Adjustable Pallet Guard is the best way to instantly merchandise fast moving, promotional and impulse floor stock whilst providing a safe shopping environment for your shoppers.

# FOR RETAILERS

## FEATURES & BENEFITS

- Increase sales of floor stock
- Hide dangerous and ugly pallets
- Protect customers from trips and falls (OH&S)
- Protect stock from trolley & store equipment
- Increase store efficiency by merchandising quickly
- Cost savings from a reusable display
- Reduced waste, no more paper surrounds
- Revenue making, sell space to your suppliers
- No parts, no tools, simply snap and adjust.

For all areas of the store.

ONE SOLUTIONS FOR ALL ISLAND DISPLAYS, GONDOLA ENDS, AISLE DISPLAYS AND FRONT OF STORE.

## LONG LASTING, SUSTAINABLE SOLUTION THAT'S COST EFFICIENT.

Don't waste time and money on surrounding floor stock with paper and card that will only last a few days. The Adjustable Pallet Guard is a solution that can be reused and is completely recyclable.

NO MORE MESSY  
PALLETS

## A PERFECT FLOOR DISPLAY IN UNDER 60 SECONDS.

The fastest way to promote any type of floor stock in under 60 seconds. Roll pallets directly onto the floor and merchandise directly from the pallet.

## ONLY 4 SIDES, NO TOOLS REQUIRED SIMPLY CONNECT AND ADJUST

The Adjustable Pallet Guard requires no tools to construct. Simply connect the 4 sides and adjust to create any type of display. To create larger displays, just connect additional sides. It's that easy!

SNAP CONNECTION

SLIDE TO ADJUST
